

Melanie Greenaway, B. Ind. Des.
Lead Designer

604.739.4687
melanie@doubledaredesign.ca

Melanie is the founder of Double Dare Design. Committed to artistic and technical integrity, she encourages innovation, creativity, and thoughtful decision-making. She champions her clients' projects with sensible, effective designs that inspire and entertain.

Melanie has 9 years consulting experience on a range of demanding projects, and has a strong background coordinating multi-disciplinary teams. She has broad experience in the design of themed environments including science centres, nature centres, historical attractions, interpretive centres, children's museums, and real estate centres.
